Acknowledgements

Anjali is offering of prayers to the deity. We acknowledge that without the grace of Goddess Durga it would not have been possible for us to produce 12th edition of Anjali.

Production of Anjali is much more involving than it may generally look like. In different stages of its preparation starting from planning to final delivery it requires support from various people.

We would like to thank the Embassy of India in Tokyo and the advertisers for their patronage.

The passionate authors and artists of all over the world associated with the past and present Durga Puja of Bengali Association of Tokyo, Japan have given us their contributions for Anjali. We sincerely thank all of them for their individual contribution. We thank Karabi Mukherjee, Bhaswati Ghosh, Sudeb Chattopadhyay, Rita Kar, Ruma Gupta, and Sahanaz Reza (Rinku), who helped us in proof reading to ensure the quality. We thank Bhola Nath Pal and Sandipon Saha for helping us in compiling the advertisements. We also thank Shinko Mabuchi San for her help in Book Review.

Advertisement, greetings, and messages play a very important role in Anjali. We would like to thank Tanmoy Banerjee, Syamal Kar, Arijit Basu, Byomkesh Panda, and Sanjib Chanda for their great help in this regard. We used Bornosoft2000Basic and Baraha software developers for allowing us to create Bengali and Hindi articles. We greatly appreciate Shobi Insatsu for printing Anjali.

The acknowledgement will remain incomplete if we do not appreciate Shonu (Sanjib & Meeta's son) for cooperating with us to the fullest extent, and Syamal Kar, Sahanaz Reza (Rinku) and Ruma Gupta in providing their valuable assistances throughout the process.
